Miles Crossing Sanitary Sewer District Minutes

November 3rd, 2026

Meeting called to order at 6:01 pm by Kevin Johnson

Present Board Members: Kevin Johnson, Mike Curtis, Lisa Moore, Bruce Dehler, Trisha Dunn

Absent: Lisa Miller – Accounts Manager

Also Present: Carl Gifford – Superintendent

District Business

- **Financials** Kevin read through financials. Trisha motioned to approve, Lisa M. 2nd, unanimous. Carl explained that the invoice from City of Astoria makes this account up to date and will now return to every other month.

- **Minutes** Kevin read through Minutes and pointed out that he was absent last meeting and moved to amend the minutes. Lisa M. motioned to approve the Minutes as amended, Trisha 2nd, unanimous.

- **Coastal Storage Update** Carl gave update on Coastal Storage and Bob Magee. The service connections for the RV rental sites and the RV dump station have both been fully disconnected from the sewer system. As of right now there are no plans to have this permitted and is just an RV storage and a mini storage site.

- **Telemetry** Kevin J. asked if the District had finished installing the latest round of telemetry, Carl stated that we had not. Lisa M. questioned on the cost per hookup of telemetry. Carl explained that the first installs were roughly $600 each, they are now closer to $1,200. Lisa commented that the District should look into purchasing additional units before the price increases more.
